STUDENT CODE OF CONDUCT

I. RATIONALE

These Student Code of Conduct Procedures are designed to protect the College community through the imposition of discipline within the college setting. Reasonable efforts will be made to foster the personal and social development of students who have been found responsible for violations of college policies or regulations.

II. INHERENT AUTHORITY

The College reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community. The Vice President for Student Services and Enrollment Management, has authority for all matters related to student discipline at the College. The Director of Student Life is the Vice President for Student Services and Enrollment Management’s primary designee in all matters related to student discipline and this code. A substitute designee may be appointed in appropriate circumstances.

III. INTERPRETATION OF PROCEDURES

Disciplinary procedures are written to provide students with notice of prohibited conduct. However, this code should be interpreted broadly and does not contain an exhaustive list of prohibited conduct. The Director of Student Life is responsible for interpreting and answering questions related to this code. To the extent this policy conflicts with the College’s Sexual Misconduct policy, the Sexual Misconduct policy governs.

IV. STANDARDS OF DUE PROCESS

Students subject to disciplinary action will be entitled to an administrative conference as set forth in section XIII. The focus of inquiry in disciplinary proceedings is to determine the level of involvement and culpability of those accused of engaging in prohibited conduct. Deviations from prescribed procedures do not invalidate a decision or proceeding, unless significant prejudice to a respondent or the College is established. The College has discretion to modify these procedures.

V. VIOLATIONS OF LAW

Students may be accountable under civil and criminal law – as well as to the College – for conduct that violates federal, state, and/or local laws. Ordinarily, disciplinary action at the College will advance while external proceedings are pending. Results of external proceedings do not control proceedings under this code.

VI. JURISDICTION

This code covers prohibited conduct that occurs: (a) on college-owned, leased, or operated property; (b) at college-sponsored activities, whether on- or off- campus; and (c) while a student is conducting business on behalf of the College. Where the College's interest is implicated, the Director of Student Life, or designee, will determine whether such conduct should be addressed pursuant to this code.

When the Director of Student Life, or designee, places a student on interim suspension, the

student shall have the right to file an appeal with the Vice President for Student Services and Enrollment Management, or designee, challenging the appropriateness of the suspension. The appeal must be submitted in writing, either by mail or electronically, to the Vice President for Student Services and Enrollment Management within ten (10) business days after the date of the notice of the suspension, and should explain why the suspension is inappropriate. The Vice President for Student Services and Enrollment Management's decision is final on the issue of the interim suspension.

XI. DISCIPLINARY PROCEDURES

Complaints of Prohibited Conduct

- A. Any member of the college community may file a complaint concerning conduct proscribed by this code. Complaints must be filed within 15 business days after the individual learns or should have reasonably learned of the alleged misconduct. If a complaint is not filed within the prescribed time, it will be deemed waived. However, similar misconduct may be considered pursuant to this code even if a complaint pertaining to those similar acts was not timely filed. Moreover, nothing shall preclude the College from taking any action that the College determines is necessary to ensure the health and safety of the campus community regardless of the timing of a complaint.
- B. No later than ten (10) business days after receipt of a complaint, the Director of Student Life, or designee, shall initiate an investigation. The accused student must receive notice of the investigation and be advised of the need to schedule a preliminary interview. The accused will also be informed of the charge and the identity of the complainant. For purposes of this code, written communication must be delivered by regular, certified mail, college-issued electronic mail, or such other method as may be reasonable to provide the student with timely communications. This investigation must include communication with the complainant, respondent and material witness(es), if any, and a review of any relevant documents.
- C. If there is not a sufficient factual basis to substantiate the alleged misconduct, in the sole discretion of the Director of Student Life, or designee, no further action pursuant to this code will take place, the case shall be closed, and all parties notified.
- D. If a sufficient factual basis exists to substantiate the allegations of prohibited conduct, in the sole discretion of the Director of Student Life, or designee, then the accused student must be notified in writing of the intention to take action under the Code, and the charges to be pursued.

XII. DEFERRAL OF PROCEEDINGS

The Director of Student Life, or designee may, at their sole discretion, defer an investigation and the disciplinary proceedings for alleged violations of this code for a period not to exceed 60 calendar days. Pending charges may be dismissed during or upon completion of the deferral

period, in the Director of Student Life's, or designee's, sole discretion, depending upon the respondent's behavior and compliance with measures that may be required during the deferral period.

XIII. ADMINISTRATIVE CONFERENCE

A. Notice of Administrative Conference

1. Within ten (10) business days of the determination of sufficient cause to substantiate an allegation of misconduct, the Director of Student Life, or designee, will schedule a date for an administrative conference and notify the respondent of the conference date, time and location. For purposes of this section, delivery means hand-delivery, U.S. mail, certified, or electronic mail to the student's Cecil College email address.
2. The notice will inform the respondent of the specific provisions of the code they have been alleged to have violated, the date, time and location of the conference, and the procedures that are applicable throughout the process.
3. The date and time of the conference will take into consideration the respondent's academic schedule. However, the seriousness of the allegations will take precedence concerning the conference scheduling. Any request to reschedule the conference by the respondent will be made to the Director of Student Life, or designee, 24 hours prior to the scheduled date of the administrative conference. Requests not made in a timely manner will only be considered if there are exceptional circumstances that prevent scheduling.
4. Failure to attend a scheduled administrative conference (unless the respondent has previously notified the Director of Student Life or designee and a request to reschedule has been approved) will result in a decision being made in the absence of the respondent.

B. Administrative Conference Procedures

1. The administrative conference will provide the opportunity for the Director of Student Life, or designee, to outline the allegations to the respondent, and share all relevant information (charging party, witnesses and documents) they presently have regarding the allegations. Respondent will have an opportunity to address the allegations and provide information relevant to the allegations or defense of same.
2. At the conclusion of the administrative conference, based on the investigation conducted and information gathered, the Director of Student Life, or designee, will determine, using a preponderance of the evidence standard, whether the respondent engaged in conduct prohibited under section VII.
3. If there is not a sufficient factual basis to substantiate that the student engaged in prohibited act(s), in the sole discretion of the Director of Student Life, or designee, no further action under these procedures will occur, the case will be

closed, and the complainant and respondent will be notified of this decision.

4. If there is a sufficient basis to substantiate that the student committed the prohibited act(s), in the sole discretion of the Director of Student Life, or designee, the student will be found responsible for the corresponding charge(s) and determine the sanction to be imposed as outlined in section X. Notice of the outcome will be issued as soon as reasonably possible.

XIV. APPEALS

- A. **Right of Appeal:** An appeal of the decision regarding findings and/or sanctions may be made by the Respondent to the Vice President for Student Services and Enrollment Management based on: (i) new information that significantly alters the findings; (ii) evidence of improper procedure that prejudiced the outcome; or (iii) severity of sanctions. If the charges involve sexual harassment or sexual misconduct, a Complainant has a right to appeal on the same bases. No other bases for appeals are permitted.
- B. **Appeal Petition:** An appeal petition must be filed in writing to the Vice President of Student Services and Enrollment Management, within five (5) business days after notice of the decision imposed by the Director of Student Life, or designee is received. Email is presumed received the date on which it was sent. If the request is not received within that time, the decision(s) shall stand. The petition must consist of a detailed written statement specifying the precise grounds for appealing and detail the supporting facts. The petition must be signed by the individual filing the appeal or sent using the individual's college issued email account.
 1. For the purpose of evaluating the severity of sanctions, the Vice President of Student Services and Enrollment Management, or designee, will consider only the evidence contained in the record made during the administrative conference. The Vice President must uphold the determination if there is a reasonable basis for the sanction imposed, and if not, will impose a more appropriate sanction.
- C. **Appellate Procedures:** The review of the appeal is closed to the public. Only persons providing relevant information will be permitted to participate. In the course of the proceedings, the Vice President of Student Services and Enrollment Management, or designee, will ask questions, and will permit the individual who has filed the appeal to outline the grounds for appeal. The Director of Student Life, or designee, will address the merits of the appeal on behalf of the College and respond to any questions. At the conclusion of the proceeding, the Vice President will make a decision and, within a reasonable amount of time, communicate that decision to the student in writing.

XV. DISCIPLINARY FILES AND RECORDS

Access to any student's disciplinary or other records is governed by the provisions of the Family Educational Rights and Privacy Act of 1974. Authorized, identified college officers, faculty members or the student will have access to disciplinary records. Results of disciplinary proceedings for alleged violations of this code will be disclosed to the charging party if the prohibited conduct involves the use, or attempted use, or threatened use of physical force or

harm against the person or property of another. Student disciplinary records maintained in the office of the Director of Student Life will be accorded the same protection and guaranteed confidentiality as those in college administrative offices.

Referrals to the Director of Student Life may result in a disciplinary file being created in the name of the respondent. The file of a student found responsible of a violation will be retained as a disciplinary record for six years from the date of the letter providing notice of final disciplinary action. In cases of expulsion, revocation or withholding of degree, the record will be retained in perpetuity. In cases where the accused student withdraws from the College, the record will be maintained permanently. Recordings or transcripts of disciplinary hearings in which an accused student is found responsible will be retained for 12 months following the conclusion of any available appeal and then destroyed.
