Title: Reporting of Suspected Child Abuse and Neglect

Policy:

The purpose of this Policy is to provide guidance to staff, faculty and students, volunteers, visitors, and individuals or groups using College facilities for any reason regarding the mandatory requirements in Maryland law that govern the reporting of suspected cases of Child Abuse and Child Neglect, and to affirm the commitment of the College to the protection of the safety and welfare of children who come into contact with the College Community.

The reporting requirements addressed in this policy implement the mandatory Child Abuse and Neglect reporting provisions of the Family Law Article of the Maryland Annotated Code, Sections 5-701 through 5-708 and the Maryland Attorney General opinion (78 Op. Att’y Gen. 189, December 3, 1993), which requires Maryland state agencies, including the College, to report suspected child abuse and neglect disclosed by a victim who is now an adult with the purpose of protecting other minors who may be at risk for child abuse or neglect by the perpetrator. Failure to report as provided in this Policy may have serious legal implications for faculty, staff, students, volunteers, visitors, and individuals or groups using College facilities and the College, and may result in disciplinary action.
